Department	Response		
eHub Paramedic F2F	Someone was going to call back - they didn't. So the call back would		
(booked by Paramedic)	be great.		
GP Clinic	Face to face communications which results in action - even though I went to the surgery yesterday afternoon for resolution.		
GP Clinic	Patches needs improving for ongoing acute issues.		
Nurse Clinic	Please back to the good old time and patients can by phone or going to surgery make a doctor appointment for themselves.		
HCA	Nothing requires changing		
Session	Ensure that medical records are updated when patients provide information to the surgery by email and acknowledge receipt of those emails.		
HCA	Nothing to improve on, a great service		
НСА	Make it easier to request repeat prescriptions on Systems Online, it should not be necessary for a repeat prescription to be reviewed		
Nurse Clinic	Reception communication could be better and clearer		
GP Clinic	excellent. very thorough.		
Session	Reasonable access to one doctor who then can be familiar with my medical history.		
Nurse Clinic	Thank you		
Nurse Clinic	Nothing to change		
НСА	I think you do an excellent job. From the quality of reception and all their help, running on time, etc.		
Nurse Clinic	Staff, are so helpful, and of happy disposition Thank you to all.		
HCA	Nothing to tell. It was fine.		
GP Clinic	Hopefully, the doctor who saw me continues with the surgery		
GP Clinic	Responding to a doctor's text message is difficult. A single reply is possible but a follow-up reply doesn't seem to be possible. Quite frustrating!		
Nurse Clinic	I don't think any change is necessary		
Nurse Clinic	The sign asking us to sign in on the touch screen is in a very light font and not easily read from a distance.		
НСА	Having hangers or a small table in the bathroom. Useful if you will have your hands busy taking a sample and also have bags or coats		
НСА	Quick and efficient treatment from you. Eric is charming a delight to see. If you could change one thing it would be the drabness of your surgery		
НСА	Excellent organization, friendly and highly professional attitude at the reception. The nurse was very attentive and kind.		
GP Clinic	My care is going very well. My doctor is very polite and thorough
