Out-of-Area Registration Declaration

Dear Patient,

Thank you for informing us of your change of address.

You now live outside Ashville Surgery's practice area. We recommend that you register with a local GP to ensure access to local healthcare services. If you choose to remain registered with Ashville Surgery, please sign and return this form to us. By doing so, you acknowledge and understand that:

- Ashville GPs will not be able to provide home visits at your current address.
- Some community, referral, or locality-based services may not be available to you because you live outside our practice area.
- You may be advised to register with a local GP if your healthcare needs can no longer be appropriately met by the practice.
- If you have appointments with hospitals or clinics, you should inform them of your change of address.

To find a local GP, visit: www.nhs.uk/service-search/find-a-gp. For urgent medical advice, contact NHS 111.

Patient Declaration

I confirm that I have read and understood the information above. I understand the limitations that may apply as an out-of-area patient, including that I will not be eligible for home visits from an Ashville GP and that some local services and referrals may not be available to me.

I wish to remain registered as a patient at Ashville Surgery.
